Pricing Details

Pricing varies with the distance from the bird's home loft. Increased distance requires additional road training and hazards for the young birds. There is a \$1/mile surcharge added to the base rate for locations more than 10 miles distant from Decorah. The prices to the right are typical.

Tier 2 towns include: Spring Grove, Harmony, Cresco, Ft. Atkinson, Waucoma, West Union, Postville, Waukon

Tier 3 towns include: Hokah, Preston, Riceville, New Hampton, Fayette, Elkader, Prairie DuChien, New Albin.

More distant releases are sometimes possible.

The deposit:

\$50 for up to 12 birds. \$100 for up to 24 birds.

Your deposit reserves your birds on your date. The deposit is fully refundable for any reason until one month before your event.

Contract Details

As part of our contract with you, *Doves Above* will:

- communicate with your photographer and church personnel
- arrive at your event early to set up any necessary release equipment (baskets, decorative cages, small tables, etc.)
- dress appropriately for your event
- handle the birds at your wedding
- set up a release situation that is safe for the birds and great for the photographers
- only release the birds under safe weather conditions, with enough time to return home before sunset
- take reasonable precautions to minimize risks to you, your guests, and our birds.

As part of your contract with us, you agree to:

- send a refundable deposit of \$ ____ dollars to reserve ____ birds for your wedding day
- pay the balance of \$ _____ before your event.
- let us know if there are any schedule changes
- let us know how we can customize the event to meet your expectations

Special Conditions:

Our birds usually circle over the release location a few times before heading home, but we cannot guarantee the behavior of our birds after the release.

If weather prevents us from attending your event, we will provide a full refund. If we attend and display birds at your event but weather conditions prevent their release, we will keep the deposit and either refund the balance or arrange a release at a later time or date. The decision to release the birds, or not, is ours. The other options (later release time/date, or full refund) are yours.

If your ceremony runs late and our birds do not have time to return home before sunset, we will not release the birds and we will not issue a refund.

The latest release time for _____ (town) on _____ (date) is _____ pm.
